

## **YCC 323 BUILDING UPDATE AND COVID-19**

**April 13<sup>TH</sup>, 2020**

Dear Resident,

A further enhancement to the social distancing we are requesting all residents to keep a 2 people at a maximum in the elevator, please also note to respect residents if they show a request in wanting to be by themselves in the elevator by holding their hand in a stop motion.

I do understand that residents are feeling restless, anxious, unsure and even scared and being at home although the best thing anyone could do right now is very challenging. These are normal and healthy responses to an abnormal situation. Being pushed out of our regular daily routines, and being distanced from our social connections, support groups and family is hard and many are struggling as a result. Please Reach out to friends in a safe way, stay active in your home, do your best to eat well and stay rested.

Residents requiring emotional support related to COVID-19 can access the following community resources:

- Crisis Service Canada - Email [crisisservicescanada.ca](mailto:crisisservicescanada.ca), call 1-833-456-4566 or text 45645, 24 hours a day, 7 days per week
- Kids help phone - Call 1-800-668-6868 or text CONNECT to 686868, 24 hours a day, 7 days a week

Below you can find few online links that were kindly sent to me by one of the unit owners and could be of an interest to some of you.
