RED Zone Restrictions for Condominiums

(effective November 9th until further notice)

1. Residents should restrict their contact to members of their household and essential supports only. (Exceptions: emergencies, emergency repairs, renovations/construction, and one-to-one teaching/tutoring.)
2. Residents should not visit any other household or attend any gatherings.
3. Residents should limit in-person activities outside the home to essential activities – work, school, health care, exercise, etc.
4. Residents are reminded that no social events are permitted in the building – no friends/family over (unless required for care), no visits, and no parties.
5. Residents are encouraged to work from home rather than risk exposure and the possibility of bringing the virus back to our community.
6. Residents and all visitors, when moving through the common areas, **MUST** exercise proper precautions, including:
 - a. wear a good quality, 3-layer fabric, non-medical mask
 - b. ensure the mask securely covers their nose and chin
 - c. maintain social distancing,
 - d. wash or sanitize hands often
 - e. isolate if sick.
7. Residents should report any circumstance of non-compliance with the COVID-19 restrictions to superintendent or management. All residents, visitors and workers must take the required precautions (see #6).
